THE REPORT ON HOW TO MAKE PILLAU

April 6, 2017

Pillau is the best meal I have ever had in my life, I like it so much because its taste and delicious and everyone loves to taste it. Pillau can be prepared using different ingredients like chicken, beef, goat and meat.

1 How to prepare a beef flavor.

Am going to explain how I can prepare Pillau with beef .I first cut the beef into small pieces so that they can be delicious in my rice, I wash it and put it in the saucepan, I put in one big onion baganda onions, I put in salt ,I light my charcoal stove and then I put on . I keep on stirring in it until the water has dried, I add in cooking oil and salt and keep on stirring until it turns brown, I add in another onion until they also turn brown I put in tomatoes, green paper and other ingredients, after they are all ready, I put in Pillau masala and royco and then I add in water.

2 How to prepare rice.

If I have unsorted rice, I first remove the unwanted staff like stones and some rice covers then I put it in a dish or a container and wait for the water to boil.

3 How to come up with pillau.

After the water boiled, i put in rice then keep on stirring until the all the water is gone, after I reduce on the charcoal, put on some ash and then leave the rice to dry and stay hot. My pillau is ready to be served, I start serving the people with the delicious meal which looks so taste and looks good.

4 Conclusion.

I suggest that that everyone should try and test pillau because its so delicious and fantastic.it looks good, has a nice aroma and wow! Its the best aroma ever. The moment you spot it there and then you start salivating so everyone should try it out.
